Speed In Line Play and Interference of Backfield Is Notable

By LARRY DAILEY

Starting the ends of running the line, and the most successful Kendall college gridiron yesterday defeated the Oklahoma School of Mines at Wilberforce, 151 to 0. Straight football with an occasional use of the aerial attack was the means of the orange and black scoring. While scores by Hull, Cramer and Nichols figured in other defeats, suspension aroused league authorities found the players to be dealing with mysterious persons by wire, employing a code.

The Miners, finding their attempts at the forward pass a failure early in the game, and although outweighed by Kendall, used only straight football in the first period they were not effective, so that half an hour after they had failed to make first downs in the first two periods of play the Miners punted before the fourth down, usually on the second or third.

While the Wilberforce colleagues offered little opposition to the Kendall team yesterday, the day served to add to the optimism of Kendall followers. It wasn't so much the heavy score, as the manner in which they piled up that score. The heavy line, showing the effects of coaching received after last Saturday's game with the Oklahoma Catholics, played splendidly. It charged well and seldom permitted a Miner back to advance beyond the first line of defense.

The backfield, handled splendidly by Quarterback Henfro worked with machine-like precision. Especially notable in the play of Kendall backs was their interference. When in that department of play in last week's game and drilled Monday and Tuesday by Coach Schmidt, their interference was a feature.

Especially notable was the play of Harsch, Brian, Balcom, Keck, Arnold and Martin. Balcom, a member of the second team, last week distinguished himself, both on the offense and on the defense. Ben Chadwell, former Tulsa high school star and who has been out of mole-skins for two weeks because of an operation on his throat played a few minutes yesterday. He was given an ovation by his followers who saw his play while a member of the local scholastic eleven.

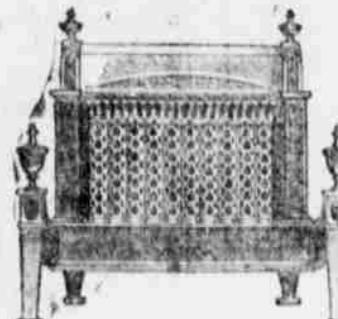

Kendall's next game is with the Choctaw Indians, here next Saturday.

## CLEVELAND ADS TO LEAD ON SOX

Victory Over Browns Puts Indians Game and Half Ahead of Chicago

LOUISVILLE, Ky., Sept. 29.—Cleveland gained another win on Chicago in the struggle for the American League championship, winning from St. Louis to a score of 15 to 10, and a clean sweep of the four-game series.

The victory gave the Indians a lead and a position to claim the pennant by virtue of the fact that the series game was a virtual walkover for Cleveland. William, who was knocked out of the game, was unable to get the ball started again and in addition to being hitless, faced five bases on balls, finally giving up the game to the Indians with the visitors holding a five-run lead.

Ward, who succeeded him, was wild and made two errors that allowed the Indians to score.

Cleveland was master of the situation throughout, keeping his hits well scattered and half have had a shadow but for errors by Gardner and Dewitt.

RESULTS YESTERDAY.
